

**Association of Consultancy and Engineering (ACE) Northern Region
Briefing and Networking Event**

The Northern Powerhouse and Infrastructure

24 September 2015
3-30pm for 4-00pm until 6-00pm

ACE invites you to come along to this is important regional event with keynote speaker Ed Cox from IPPR North, an independent think tank leading research and report publication on devolution.

Eversheds Leeds are kindly hosting the event. ACE are grateful to sponsors AMCO & VHE. In addition both Eversheds and AMCO & VHE will contribute to the debate. The event will be chaired by Marc Davies, Chair of ACE Northern Region.

The Chief Executive from ACE, **Dr Nelson Ogunshakin**, will also be present and will give an overview of ACE operations and strategies on behalf of the membership.

Following the briefing sessions there will be a drinks function where attendees can network with speakers and attendees.

Please come along and meet up with your colleagues in the engineering and consulting profession and contribute to and support our regional activities and campaigns.
