

# Meet us at MIPIM

The premier real estate event MIPIM, which gathers the most influential players from all sectors of the international property industry is taking place in Cannes 13-16 March 2018. Our experts will be attending over the four days to demonstrate our strategic, technical and creative offerings within the industry and meet with like-minded professionals to discuss future partnerships.

If you would like to meet with one of the team in Cannes we'd love to hear from you so please get in touch.

**Paula Carney, Head of Planning, London**

E: paula.carney@wyg.com

Paula has 25 years of private sector planning consultancy experience project managing large scale, major regeneration schemes.

She works with private sector clients to establish effective working relationships with public sector authorities and key stakeholders.
